**2020 Aetna® Medical Plan Resource Guide**  
State of Illinois — College Insurance Program

## 2020 medical plans at a glance

You have three medical plans to choose from. The summaries outlined on the following pages show plan benefit levels when you use the doctors and hospitals in our network. You can go outside the network, but you'll usually pay more. Your Open Enrollment materials from the State of Illinois will include more details.

### Provider search tool

It's easy to find a network provider. Using the provider search tool you can look for doctors, specialists, walk-in clinics and urgent care centers, hospitals and even labs.

1. Go to **AetnaStateofIllinois.com** and click on **"Find a Doctor"** at the top of the page.
2. Click on your plan's link to access the provider search tool.
3. Enter your zip code in the **"Continue as a guest"** section.
4. Enter your doctor's name or the type of provider that you would like to find. You can also select a provider category for an automatic search.

If you're an Aetna member, you have a personalized version of the directory. It "recognizes" you and your plan. Just log in to search or register in the **"Already a member?"** section. You will get the same results as you would by using the **"Continue as a guest"** option.

### Talk to a doctor, 24/7

Teladoc is a service that connects you to board-certified primary care doctors, 24/7. Teladoc doctors can treat many non-emergency medical issues by phone or video chat, including colds, flu, bronchitis, infections and more. Set up your account at **Teladoc.com/Aetna**, or call **1-855-835-2362** to get started.

You can also download the free Teladoc app on your mobile device.

## Plan resources at your fingertips

### Aetna Member Services

Get answers to all your benefits and claims questions when you call **1-855-339-9731 (TTY: 711)**, Monday through Friday, 7 AM to 5 PM CT.

### Your Aetna member website

After you enroll in the medical plan, register at **AetnaStateofIllinois.com**. Then log in anytime to confirm who's covered under your plan, check the status of claims, view Explanation of Benefits (EOB) statements and more.

### Cost estimator tool\*

Use this tool to get actual costs of procedures and treatments using providers and facilities in your area. This tool factors in plan details like your remaining deductible and your copay or coinsurance.

### Aetna Health<sup>SM</sup> app

Manage your health with the personalized Aetna Health app. You can pull up a digital copy of your Aetna ID card and search for network doctors on the go. Download the app from your app store, or text **AETNA** to **90156** for a link.\*\*

\* \*Estimated costs not available in all markets for all procedures. Actual costs may differ depending on services received and billed at time of claim.

\*\*Data and messaging rates may apply

\*\*\***DISCOUNT OFFERS ARE NOT INSURANCE.** They are not benefits under your insurance plan. You get access to discounts off the regular charge on products and services offered by third party vendors and providers. Aetna makes no payment to the third parties—you are responsible for the full cost. Check any insurance plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts.
