Below the header, there are two main sections. The left section, titled "Already a member?", contains a "Login to Secure Site" button and a "Register Now" button. The right section, titled "Continue as a guest" (circled in red), contains a form for entering a 5-digit zip code, city, state, or county. Below the form is a "Look within" section with a slider set to 25 Miles, ranging from 0 to 100 Miles. A "Search" button is at the bottom of the right section.

Find your doctor.

Note: If you're an Aetna member, you have a personalized version of the directory. It "recognizes" you and your plan. Just log in to search or register in the "Already a member?" section. You will get the same results as you would by using the "Continue as a guest" option.

4. **Enter your doctor's name** or the type of provider that you would like to find. You can also select a provider category for an automatic search.
